

# Motivation Letter for Workshop

Dear Sir/Madam

I'm writing this motivation letter to express my strong will to seek participation in the workplace which is being organised by the institution, as the workshop is prevailing in the area in which I'm going to embrace my professionalism.

With this letter of motivation I would like to express my strong urge to interact with the other individuals, who are willing to share their knowledge towards the common subject matter, so that I can learn and also pass on my own knowledge in the group.

Your Truly,
